Combine Compulsory Health Insurance (CHI) & PVI Insurance

Present CHI when register

Collect medical reports and invoice

Claim to PVI for reimbursement

Pay for expenses not covered by CHI

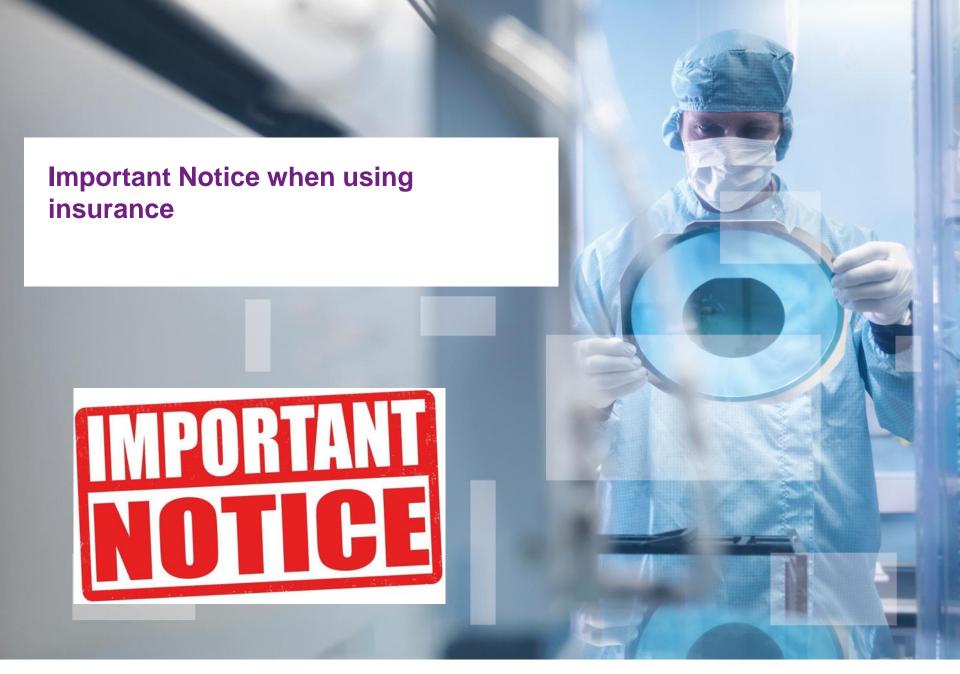

Collect Breakdown of invoice

Advantage of using CHI together with PVI Insurance

- Not excluding pre-existing conditions, special disease, congenital anomalies
- Not capturing maximum annual limit
- Maximizing cost control for treatment of critical illness, chronic conditions
- Minimizing self-paid amount
- Extra allowance (20%) from PVI on the CHI covered amount (if CHI covers for

more than 50% total expenses)
